GEORGETOWN AND ITS AFFAIRS.

GEORGETOWN, November 13-12 m. I would respectfully suggest to some of our business men to prepare a scheme for a plank road to Rockville, to be submitted to our citizens for their consideration at the great Retrocession meeting which is to take place on next Friday. Many of them do not seem to be fully alive to the importance of keeping this thoroughfare to our town in the best possible order, from the fact that they are not aware of the great amount of trade that reaches our market by it; and that they may have some slight knowledge of its amount, I will name a single item. There are trading regularly to our town (all reaching us by this route) about thirty wagons, each of which make at least one trip every two weeks the year round; thus making twenty-six trips a year, and averaging about \$150 worth of butter and produce each every trip-making in the aggregate at least \$117,000 worth of produce, which reaches our market annually over this road; a large portion of the proceeds of which is spent with our merchants for goods of different kinds, which is taken back by them to Montgomery, Frederick, and Washington countiesto say nothing of the trade during the fishing season, every spring. These are but small items in the great amount, and it is easy to perceive that a great portion will go to another quarter, as soon as the plank road from Washington, which they have determined to construct to the same place, is completed; as it is reasonable to suppose that all will seek the best road over which to travel, and as much of the prosperity of every town depends upon the number of good and convenient thoroughfares leading to them, let us go to work and set the ball in motion, that this much-needed improvement may be at once commenced; and once begun, I have no doubt there will be found more coming forward with means sufficient to carry it on to comple-

WONDERFUL DISCOVERY! "NONE NEED DESPAIR."

All must admit there never has been given such a mass of genuine testimony in favor of any other medicine. Give it a trial! It cures when all other remedies have failed, Greater weight of testimony cannot be given—from the first

Greater weight of testimony cannot be men in this country.

Baltimore, Sept. 18, 1851. Gentlemen: After a full and satisfactory trial of the medicine prepared by you, and very generally known as Dr. Hampton's Vegetable Tincture, which you recommended me to use as a relief for the debility and general mended me to use as a rener for the decility and general prostration of my system, the result of taking three bot-tles of this wonderful compound has, I am pleased to say, resulted in a restoration of strength, a keen appetite, and an activity of body which I have not enjoyed for a long an activity of body which I have not enjoyed for a long time. So satisfied am I of the virtues of this medicine, that I have confidently recommended it to many of my friends and acquaintances, and am happy to learn that in a great majority of cases the most beneficial results have stamped the injallibility of the Tincture. In my own case, I am satisfied that your advice to me to give it a trial has, under the blessing of a kind Providence, resulted in a restoration to health, for which I am truly thankful.

Respectfully, JOS. K. STAPLETON,

More Home Testimony.—None Need Despair.

Try It and be Cured.—Wonderful and PerManent Cure of Dyspepsia.

Messrs. Mortimer & Mowbray—Gentlemen: This is to certify that in the year 1843 I was attacked with a nervous affection, in consequence of Dyspepsia or Indigestion, which continued some eighteen months, during which time my sufferings were intense, both of body and mind. I tried every thing I could think or hear of, (as there was much sympathy for me,) and at length all eforts failed to cure me. I became much weakened, and could walk but a very short distance at a time, and was often in the act of falling upon the pavement, (I would stop in some door or alley to prevent it.) in consequence of frequent palpitations; and, from what I could learn. I supposed I had disease of the heart, from frequent distressing pains about the same; as also my chest and abomen—the latter being much distended. At this stage of my disorder I could neither eat, sleep or wellk with any satisfaction to myself. Life seemed to be a burden to me. My feelings were gloomy beyond description.

I at length heard of Dr. Hampton's Vegetable Tincture, and made trial of it. I had but taken the first dose when I felt a change for the better, and hope immediately sprang up. I continued, with the use of this incellable. Tincture, to improve daily, until I had taken the contents of three bottles, which, under Divine Providence, made a perfect cure of me.

I found I had an excellent appetite, and could partake of any food, which I could not do for years previously without the most distressing sensations. I now enjoy uninterrupted good heaith, and have done so for the last six years; and would say to all afflicted as I have been to cast aside your prejudices, and try Hampton's Vegetable Tincture. Any information beside this but meagre description of my case will be given cheerfally for the benefit of the afflicted. Yours, WILLIAM M.OLDHAM, Custom-House; dwelling, Fayette st., near Fremont.

SUCH A MASS OF HOME TESTIMONY MUST CARRY

SUCH A MASS OF HOME TESTIMONY MUST CARRY CONVICTION TO EVERY MIND.

Messrs. Mortimer & Mowbray—Gentlemen: The cure of Mr. Robert Gault, by the use of three bottles of Hampton's Vegetable Tincture, as per his certificate, is, I think, almost unprecedented. His case of extremely excruciating suffering, from Chronie Inflammatory Rheumatism, came immediately under my own observation, through the last four years, which I considered entirely hopeless. Through my earnest persuasion, he was induced to try your invaluable Tincture. I was promuted to remark at the time, that if medicine would cure Mr. Gault, it certainly would "remove mountains." The knowledge of this miraculous cure compels me to consider it a duty I owe to the afflicted (and particularly to those with complaints like his) to make generally known the healing power of this truly wonderful medicine. Yours, most respectfully,

JAMES P. MERRITT,

ESSENCE OF COFFEE.

With 12½ Cents to save four Pounds of Coffee!

This essence has been proved by many thousands of the richest and most respectable families, as well as by the poorer class of people, almost through the whole United States, to be by far the best preparation of Coffee ever offered to the public. Coffee made by this Essence is much more wholesome, more delicate, fine-flavored, perfectly clear, and, in every instance, superior to the finest Java coffee.

In order to give full satisfaction and proof that the above article is perfectly healthy, and to show something of the deserved reputation it has gained and justly entitled to, we annex a few certificates and recommendations, particularly relating to health, from Dr. Booth and Dr. Chilton, practical Chemists and Analysists of the cities of Philadelphia and New York; also, from our Agents, all of whom are prominent Chemists and Druggists.
